REDEV 1. **SUBJECT: GILLESPIE FIELD REDEVELOPMENT PROJECT - PAYMENT FOR MARSHALL AVENUE ROAD IMPROVEMENTS**
(Supv. Dist: 2)

OVERVIEW:

On July 14, 1998 (7) the San Diego County Board of Supervisors approved a cooperative agreement with the City of El Cajon to improve and extend Marshall Avenue. The City of El Cajon is lead agency for the project and all County contributions are paid directly to the City. The Board was informed a total project contribution of \$2,447,750 would be paid by the Airport Enterprise Fund and Redevelopment Agency; however, recommendations were incomplete and did not allow for full payment to the City. Approval of this proposal would establish appropriations and budgeted revenues necessary to effect proper capital project accounting.

Realignment of Marshall Avenue resulted in reduced access to, and parking for, Airport leasehold property. Approval of this proposal would also authorize an additional expenditure of \$250,000 for parking, curb modification and frontage road construction.

All Marshall Avenue project activities are eligible for Redevelopment Agency payment. However, in FY 98/99 the Airport Enterprise Fund paid \$825,000 directly to the City of El Cajon. This money should have been loaned to the

Redevelopment Agency for payment to the City. This is a request to acknowledge the Redevelopment Agency Gillespie Field Project should reimburse the Airport Enterprise Fund \$825,000 for the FY 98/99 payment it made to the City of El Cajon.

An additional unrelated issue is receipt of higher than anticipated FY 99/00 tax increment revenue for the Gillespie Field Redevelopment Project. State law requires housing set aside funds, based on tax increment revenue, be held in a separate low and moderate income housing fund. This is a request to establish appropriations of \$60,000 in overrealized tax increment revenue to accomplish the required transfer of funds.

FISCAL IMPACT:

Funding sources are Airport Enterprise Fund, 1995 Gillespie Field Project Bond Issue, and Tax increment revenue.

Specifically, funds for actions before the Board today for the Marshall Avenue Project include: 1) an FY 99/00 budgeted loan of \$915,687 (in addition to the \$825,000 AEF loan referenced in Recommendation 6) from the Airport Enterprise Fund to the Redevelopment Agency Gillespie Field Capital Project Fund 308611, and 2) a transfer of \$578,776 (\$45,891 budgeted for FY 99/00 plus \$532,885 included in Recommendations B1 and B2) remaining from the 1995 Gillespie Field Project bond issue (Improvement Fund 308613) to Capital Project Fund 308611.

Tax increment revenue is the funding source for appropriations of \$60,000 in funds that must be transferred from Redevelopment Agency Gillespie Field Capital Project Fund 308611 to Housing Fund 308621.

If approved, these requests will result in an additional FY 99/00 cost of \$592,885, (see Recommendations B2 and B5) no annual cost and no additional staff years. There is no impact to the General Fund.

RECOMMENDATION:

CHIEF ADMINISTRATIVE OFFICER:

1. Establish appropriations of \$532,885 in Org. 8967 (Improvement Fund 308613) Account 6310 (Transfer to Capital Project Fund) based on unappropriated fund balance in Improvement Fund 308613, Account 0780. (4 VOTES)
2. Establish appropriations of \$532,885 in Org. 8957 (Redevelopment Agency Capital Project Fund 308611) Account 2290 (Structures and Improvements) for payment to the City of El Cajon for Marshall Avenue improvements, based on operating transfer from ORG 8967 (Improvement Fund 308613) Account 6310. (4 VOTES)

3. Authorize the Auditor and Controller to pay from ORG 8957 (Redevelopment Agency Capital Project Fund 308611) to the City of El Cajon \$1,494,463 for the County's outstanding contribution to the Marshall Avenue project.
4. Acknowledge the Redevelopment Agency should reimburse the Airport Enterprise Fund \$825,000 for FY 98/99 Airport Enterprise Fund payments to the City of El Cajon for the Marshall Avenue Project.
5. Establish appropriations of \$60,000 in Org. 8957 (Capital Project Fund 308611), Account 6310 (Operating Transfer to Housing Fund) based on over-realized tax increment revenue received from the Gillespie Field Redevelopment. (4 VOTES)

(Relates to Board of Supervisors, Agenda No. 26)
